

# Macosquin Primary School Eco Code

We're here today with a message to you  
So listen up people we're the Eco crew  
Have a good think about the code  
Go and get into eco mode

*Break it up, take it in if you really want to win  
Break it up, take it in if you really want to win  
Break it up, take it in if you really want to win  
We're going to do our bit here in Macosquin*

Try to leave the car at home  
And get into the walking zone  
Bicycles are fun to ride to school too  
Make sure you can be seen in yellow, not blue

Healthy living is what we do  
We do a mile a day, you should come too  
We have a healthy break every day  
We either bring our own or we sometimes pay

Outdoor learning is fun for all  
Have you seen our sensory garden?  
Take a look, you'll have a ball!
