

MACOSQUIN PRIMARY SCHOOL

WEEKLY UPDATE

24th January 2018

WHAT'S HAPPENING IN YR 1

This term we are learning all about people who help us in our community; those who support us in an emergency and people who help us stay safe and healthy. We have been focusing on doctors, nurses and ambulance drivers this week. In structured play we have had fun making models of stethoscopes and working with money in our Pharmacy role play. We are looking forward to a visit from a very special visitor later this term.

TRANSFER RESULTS

Good luck to Year 7 pupils who are awaiting transfer results on Saturday. We wish you all the very best. Transfer forms must be returned to school **no later than Friday 2nd February.**

TERM 2 PARENT INTERVIEWS

These will take place on Monday 5th February to Friday 8th February from 2pm. The school finishes at 2pm on these days for all classes. Times have been issued today and have been sent home in your child's bag.

SHARED EDUCATION PROGRAMME

We are delighted to be working with Damhead Primary in Coleraine and St Eoghan's Primary outside Draperstown to deliver a Shared Education Programme focusing on Stem and Problem Solving.

This is a wonderful opportunity for pupils and staff to engage in a collaborative and meaningful way. The programme promotes good relations and attitudes, enabling a positive contribution to a cohesive society, respectful of all traditions. A letter has gone home in your child's bag today.

We look forward to the planned learning opportunities and activities over the next four months and more information will follow from your class teacher.
