SCHOOL DEVELOPMENT PLAN

At Macosquin we continually self-evaluate our school's progress ensuring we provide an outstanding education for all of our pupils. Our current School Development Plan comes to an end in June and we are at present consulting with all of our stakeholders. We would appreciate your support and ask that you complete our online Parent Consultation which will be live the week of 30th April - 4th May. This should take no more than 5 minutes to complete and is anonymous. Your feedback is vital to help us plan for school improvements over the next 3 years.

The consultation can be accessed by clicking the link below, Thank you for your continued support.
